Good Morning Emily,

Alexis Gonzalez at Pregnancy Care Center in Springfield is attempting to enter new clients into the new database. When she selects "Greene" for the County "Springfield" is not an option on the City drop down menu. I double checked on my end as well and it looks like Springfield didn't get added as a city in Greene County on the Client Intake Form. Will you please pass that on to ITSD and see if they can get that added so PCC can get their clients entered into the database?

Thank you! Carrie Carrie Hoelscher A2A Program Manager
